Textbook:	Calculus 6 <sup>th</sup> Edition by Larson	
Teacher Name:	Mr. W.	
Phone Number:	6294510	
Planning Periods:	Periods 5&6	
Location:	Room 210	

### **Philosophy**

Every student can learn mathematics who fully accepts that responsibility. Through the determination and intelligence given him or her, the student will involve others in this quest for understanding. As a teacher, it is my responsibility to employ the means through which quality and clarity of understanding is achieved.

### **Material**

An "I can" attitude  
The textbook  
A three ring loose-leaf binder  
Graph paper  
A TI Graphing calculator (TI-89)

### **Grading Policy**

A	90-100
B	80-89
C	70-79
D	60-69
F	59 or below

### **Assessment**

Assessment will be determined through the application of the following:  
60% Tests  
20% Quizzes  
20% Homework and projects

### **Homework**

Homework should be completed in a timely manner demonstrating the qualities of neatness, "completeness" and "thoroughness".
