

Naples American High School

Course Syllabus

Course Name:	Math Analysis	Course Description DoDEA Course Description Web Site
Textbook:	Advanced Mathematical Concepts by Gordon-Holliday	
Teacher Name:	Mr. W.	
Phone Number:	6294510	
Planning Periods:	Periods 5&6	
Location:	Room 210	

Philosophy

Every student can learn mathematics who fully accepts that responsibility. Through the determination and intelligence given him or her, the student will involve others in this quest for understanding. As a teacher, it is my responsibility to employ the means through which quality and clarity of understanding is achieved.

Material

An "I can" attitude
The textbook
A three-ring loose leaf binder
Graph paper
A TI Graphing calculator (TI 83+ or TI 89)

Grading Policy

A	90-100
