## FROM OUR PRINCIPAL

We are pleased to announce Naples High School Community Partnership Day (Open House) on Friday, 22 August. The administration and staff invite you to make this Partnership Day special as we come together for the education of our children. As noted on the schedule below, we will begin each session with class schedule pick up and locker issue, followed by an orientation with the administration and finally the opportunity to meet your child's teachers as you move through the daily schedule. It is our expectation and hope that all students will attend with their parent(s) and that community members feel welcome to participate in the event. All family members are welcome to attend any or all sessions. School buses will not run on this day, so please plan accordingly. This Partnership Day includes an orientation with the administration for the middle school high school. In addition to school and classroom program presentations, there will be opportunities for families and children to sign-up for base and school activities.

involved in the learning process at school, and at home, student achievement improves. You can make a difference by joining the PTSA, Band and Athletic Booster Clubs on this day. The following events will kick-off a year of positive involvement and student success. The first instructional day is Monday, August 25, 2008. Please be aware that bus schedules may be slightly off during the first week of school until the bus drivers learn to adjust to traffic patterns.

Parents don't miss the orientation as we are going to show you how to access your child's grades and attendance 24/7 beginning August 25-a powerful way to stay informed of your child's progress! Please mark your calendars and we look forward to seeing you on the 22<sup>nd</sup>! If you have any questions or suggestions, please do not hesitate to call or email.
