**Student Performance Goal 1:** All students will improve their critical thinking across the curriculum.

**Student Performance Goal 2:** All students will improve effective communication skills across the curriculum

## Sign up for account

You will see the login screen for parents. If you are creating a new account you must click the link at the bottom of the screen.

Fill out the Parent Account Signup information. Be sure to remember the user name and password you create.

**“The greatest discovery of my generation is that a human being can alter his life by altering his attitudes of mind.”**

William James

## Create Account

After clicking the sign up button, you will be asked to add students to your account. Click the *add a student to my account* link.

## Enter Student Data

Enter personal data for each student and click Submit.

After submitting your request, you will receive a message that your request is pending.

The school will approve your request after verification. The verification process may take two or three work days. You can login to Parent Connection to check the status of your account.

- When teachers open a student's 'Student Profile', at the bottom of the screen they will see 'Parent Account Info'
- The 'Last Login' date and time will be displayed indicating the last time the parent accessed the ParentConnection
- Grade and notes data transfers automatically and immediately to the ParentConnection from the teacher's gradebook
- Teachers will also receive an indication when a parent has sent a response to a note sent by the teacher.
- Teachers can find this information on the 'Student List' screen.
